

*And the king will answer them, 'Truly I tell you, just as you did it to one of these least brothers of mine, you did it to me.'*  
- Matthew 25:40

These are the Works of Mercy that relieve the suffering of others.

Jesus told us whenever we do these things for another, we do it for him.

Do you ***care enough*** to live out the Works of Mercy in your life?

Beside each grouping tell Jesus that you care enough to ***see*** the needs and ***help*** people in each area. Be specific by writing the names of *who you will help* and *how you will do it*.

***Jesus, I care enough to help . . .***
